MEMORANDUM

SEP 09 2016

SUBJECT: Request for Categorical Exclusion (CE) and Associated Documents for the City of Joshua in Johnson County, Texas

FROM: Maurice Rawls, Chief 
Community Infrastructure Section (6WQ-AP)

TO: Robert Houston, Chief
Office of Planning and Coordination (6EN-XP)

Attached herein, please find a copy of the work plan, Categorical Exclusions Review Checklist, and associated EJ documents for the City of Joshua – Mountain Valley/Village Creek Drainage Improvements project categorical exclusion request. The scope of the project consists of eight areas that will receive water drainage infrastructure. This project will replace the existing corrugated pipe culverts with concrete culverts to improve stability and facilitate better water flow. I recommend that the CE be issued for this project.

If you need additional information, please have your staff contact Dena Hurst of my staff at 5-7283.
